**** FALCONER FOUNDATION OFFERING TWO CONCISE COURSE SCHOLARSHIPS TO
SIEBEL INSTITUTE — APPLY NOW ****

In collaboration with the Seibel Institute of Technology, the Glen Hay Falconer Foundation is offering TWO full tuition brewing education scholarships in 2026. Each scholarship is a full tuition grant and comes with a travel/lodging stipend.

The scholarships are for the World Brewing Academy (WBA) Concise Course in Brewing Technology in Montreal, Canada in October 2026. The WBA Concise Course in Brewing Technology is a two-week intensive program that covers every topic critical to successful brewery operations. The course is designed for brewers pursuing a wider knowledge of professional brewing standards and techniques to advance their brewing careers as well as individuals planning to enter the brewing industry. Each WBA Concise Course in Brewing Technology scholarship includes a \$1,500 stipend to help offset travel and lodging expenses.

Applicants must be from the states Washington, Oregon, Idaho, Montana, Wyoming, Colorado, Utah, Nevada, California, Alaska, and Hawaii. The scholarships are open to both homebrewers and professional brewers.

Note that the full application must be received no later than April 22, 2026.

Complete details and scholarship application is available at [Siebel Institute Scholarships - Siebel Institute of Technology](#).

The Glen Hay Falconer Foundation is a non-profit organization dedicated to providing educational opportunities for professional and aspiring craft brewers to further their knowledge and expertise. The Falconer Foundation has granted 60 scholarships since 2004.
